GIFTS PRESENTED TO REV. AND MRS. HARPER

Retiring Rector and Wife Surprised at Home of Col. and Mrs. E. W. Gibson—Going to Dover, N. H.

Rev. and Mrs. Andrew Harper, jr., who will leave St. Michael's Episcopal church tomorrow, were given a surprise last evening at the home of Col. and Mrs. E. W. Gibson, where they were being entertained. A number of the members of the congregation assembled at 8 o'clock, and the hostess was called upon to present a handsome electric reading lamp and a cozy upholstered chair. An address, together with a list of the subscribers, was handed to the rector. The address was as follows:

Presented to the Rev. and Mrs. Andrew Harper, jr. The members of St. Michael's Episcopal church ask your acceptance of these remembrances as a token of esteem and sincere regard, on the occasion of your leaving the parish. We most cordially wish you all happiness and success in your future sphere of work.

Rev. Mr. Harper, replying in behalf of Mrs. Harper and himself, assured the company that they would never forget their Brattleboro friends. They both wished to thank the donors for their kind expressions of good will, and would be always pleased to welcome any of their friends in their new home at Dover, N. H.

Rev. Mr. Harper will preach his first sermon as rector of St. Thomas church, Dover, next Sunday.

JEWISH NEW YEAR OPENED LAST NIGHT

Today Marks Beginning of Year 5674, According to Hebrew Calendar—Local Jews Observing Holiday.

The Jewish New Year opened last night with impressive services where ever there are synagogues, and today the Jews of Brattleboro are observing the holiday. This is the beginning of the year 5674 according to Hebrew calendar. The Hebrew name of the Holiday is Rosh Hashanah.

Different radically from the Christian New Year's day, Rosh Hashanah, known also as the Day of Memorial and the Day of the Blowing of the Trumpets, marks not only a change in the Jewish calendar, but it also a day set apart for introspection and self-examination, its purpose being to rouse Israel to high resolves and nobler deeds.

The day's significance is derived from the fact that it is an introduction to the Feast of Atonement—Yom Kippur—which will be observed Saturday, Oct. 11. Following closely on this comes the Feast of the Tabernacles—Sukoth—Oct. 16 and 17. Tomorrow morning comes the biggest service of the celebration.

FRACTURED BONES NAILED TOGETHER

Elias J. Foley Having Hard Time with Much-Broken Arm—Bone Bared Distance of 10 Inches.

Elias J. Foley, who suffered a serious fracture of the right arm while working for the telephone company at Red Falls and who was taken to Boston to the Boothby hospital for an operation, has had the broken bones fastened together with silver nails and screws. It was necessary to lay the bones of the arm bare for 10 inches before they could be exposed sufficiently to permit the rest of the operation. The arm is the one that was broken in May, 1911, when he fell from a high tower of the Connecticut River Power company, and that break is involved in this last one.

HOUGHTON SAMUEL WARD.

Youngest Son of Rev. Merrill C. Ward, Formerly of This Town.

Houghton Samuel Ward, 2, youngest child of Rev. Merrill C. Ward, died in Jamaica Plain, Mass., Thursday, Sept. 18. The family spent this summer at Maplecroft farm in Buxton, Me., and all were in excellent health. The morning of Sept. 12 Houghton showed symptoms of indigestion, but no seeming to be ill the family started on the boat that night for their new home at 2 Greenough avenue, Boston, as Mr. Ward was to begin Sept. 14, the pastorate of St. Paul's Universalist church in Jamaica Plain.

As the child did not improve, a physician was called, but each day he pronounced the symptoms as in no way serious, until Thursday, when a stoppage and some unforeseen complications appeared. A second physician and trained nurse added their skill to the parents' vigilant care, but at 6:15 p. m., the little one passed away.

Next afternoon Rev. Dr. George L. Perin, who married the parents, offered prayer at the Greenough avenue home, and that night the family returned on the Portland boat. Saturday afternoon there was a private funeral at the Buxton home, attended by Rev. Fenwick L. Leavitt of Woodford, Howard Stevens of Portland sang Come Unto Me, Thy Will Be Done, and Abide With Me. The little form was laid at rest in the Harmon-Ward lot of the South Buxton cemetery.

Houghton was born at Norway, Me., Dec. 21, 1910, the only child ever born in the Universalist parsonage there. He was a bright, beautiful and winsome child, full of health and promise.

The people at Jamaica Plain proved devoted friends of the new pastor in those few hard days in the new unsettled home, and flowers and sympathy came from many friends.

Rev. Mr. Ward and his family returned to Jamaica Plain on the Thursday night boat last week. Mrs. Ward's mother, Mrs. John H. Harmon, accompanied them.

SINGING SCHOOL A SUCCESS.

Forty-Two Present This Week—Rudiments Now Being Studied.

The singing school Tuesday evening at the Baptist church is proving a great success. It is held at 8.30 at the close of the Y. P. S. C. E. meeting. At the first school, last week, there were 29 present; this week the attendance was 42.

Miss Mary Lane is giving a course of 10 lessons, assisted by Miss Hawley at the piano. The rudiments are now being studied and blackboard work has the right of way. Reading and singing by syllables will be introduced next week.

Any one wishing to learn to read music at sight may join the class next Tuesday evening. Further particulars may be obtained of Rev. Mr. Tomkinson, the pastor.

THE GROUND GRIPPER SHOE
PAT. FEB. 14, 1911.

Follow the Arrows to FOOT COMFORT

"FLAT-FOOT"
Cured by muscular action. Plates can be discarded. We have cured thousands of their foot troubles. Come and see this patented shoe. The arch takes care of itself.

FOOT HEALTH
As Applied to SHOES: Original "muscular action" shoe strengthens weak arches, allows nature to relocate distorted feet. Pivot Rubber Heels give the body balance. Examine the Patented Shoe.

GROUND GRIPPER

Do your feet ache? Then wear this patented shoe which allows the arch to become strong, the muscles active, the body weight to fall on the outside of the foot, and with the pivot heel the toes swing inward, which cures all foot troubles and flat feet. Shoes with stiff arches are a crutch. "Long inside" heels and plates are a "trap" and can be discarded at once. Men, women and children can walk and run as in childhood with comfort and health. We can give you comfort and cure not possible in any other shoe in the United States. One doctor writes: "I have used the Ground Gripper with unsurpassed results in conditions of weakened muscles and ligaments of the foot, broken arches and nerve affections, due to faulty position of the foot in walking." Valuable Timber Lands and Mill for Sale

The estate of J. V. Stevens, recently deceased, left about 1950 Acres of Valuable Timber Lands in Belvidere, Vermont, which is now offered for sale at a low valuation.

Estimated stumpage 12 to 16 million feet, about equally divided between hard and soft woods. Much of the Spruce is virgin timber of the first quality. The hardwood contains a large amount of choice old growth Birch and Maple.

The lowest price ever placed upon this property by Mr. Stevens was \$40,000, but the entire property, including new Mill, substantially built and up-to-date, with steam and water power, tenement houses, etc., will be sold for \$25,000. Terms, \$10,000 down, balance, easy terms.

Mill seven miles from either Boston & Maine or Central Vermont R. R. station at Cambridge Junction. Excellent road with very little up grade.

Three other adjacent tracts of Timber Lands, aggregating with the above about 12,000 acres and having an estimated stumpage of 50 to 60 million feet, are in the market and taken together constitute one of the largest and best spruce and hardwood lumber properties in Vermont.
